Fontana Community Cleanup Set for Saturday

FONTANA – The Auto Club Speedway of Southern California will host the final Fontana Community Cleanup of 2008 from 8 a.m. to noon on Saturday, Sept. 27.

During the Community Cleanup, residents from unincorporated Fontana can dispose of non-hazardous trash for free in bins in the Speedway's parking lot, located at 9300 Cherry Ave.

San Bernardino County Code Enforcement, Solid Waste and Second District Supervisor Paul Biane organize cleanups regularly to provide residents with a free and convenient trash disposal option.

"This is the final cleanup in unincorporated Fontana in 2008, and I encourage residents to take advantage of this opportunity to clean up around their homes and properties," Biane said. "The next Fontana cleanup will take place in the spring of 2009."

Non-hazardous trash such as tires and used furniture will be accepted at the Community Cleanup. Tires must be removed from rims and cannot exceed 11-inches by 25.5-inches. Residents bringing 10 or more tires must call (909) 387-0289 to make arrangements.

Clean Earth Recycling of San Bernardino will accept used electronic items such as televisions, VCRs, and computer monitors for recycling, and Pacific Recycling of Fontana will collect reusable scrap metal.

Residents are urged to cover their loads to avoid littering local roadways.

Hazardous waste such as paint, solvents, weed killer, etc. will not be accepted. These items can be taken to the Rancho Cucamonga Fire Station on Saturdays between 8 a.m. and noon. The fire station is located at 12158 Baseline.

Contact Supervisor Biane's office at (909) 945-4297 or Code Enforcement at (909) 387-4044 for more information. Please do not contact the Speedway regarding this event.
